# Our Voyage

In September of '44, the Class of 1948 boarded the Pirate ship with a crew of 29 on board. Sam Hattori was named captain; Tony Milonas, co-captain; Jack Uram, log keeper and keeper-of-the-gold; and Miss Gallagher, sponsor.

The year was high-lighted by an initiation given us by the sophomore class. This was the first formal initiation for any class in Reliance High School. The girls wore boys' clothing and the boys donned dresses for the occasion. They looked and felt like real green horns.

Mike Kouris and Arzonias Smith represented our class for the annual Homecoming event. We donated a harvest scene as decoration for the barn dance.

On March 17 we honored the 8th grade class (the present junior class) with a St. Patrick's party.

As we ended our first and "very green" year, we had a freshman picnic at 14-mile springs. Then came a three month vacation.

The next fall we were again ready to begin our journey with new and brighter hopes. This time Bob Matson was named captain; Virgil Rizzi, co-captain; Helen Krmpotich was entrusted with the log and gold. Miss Black was our sponsor.

During the year, Bob Matson and Helen Krmpotich were candidates for Homecoming queen and king and for Sweethearts of the Senior Hop.

Helen Palomino, Helen Krmpotich and Virgil Rizzi were three of the five high school cheerleaders.

Members of our class participated at the Kemmerer Festival in the glee club and band.

We again gave a St. Patrick's dance. This time it was in honor of the entire high school. A green and white theme was carried out in the decorations.

Our class participated in the high school's hobo day—and what a bunch of hobos we made!

We ended the year by attending a field day program on the school grounds.

The third and most awaited year gave way to greater recognition and promise. Robert Canestrini became captain; Helen Krmpotich, co-captain; Gloria Iskra, log keeper, and Bob Matson, gold tender. Mrs. Schmidt and Mr. Smith were our helpful sponsors.

This year we again listed three of the four cheerleaders: Shirley Meeks, Helen Krmpotich and Virgil Rizzi. Donna and Bonnie Ghormley served our band as baton twirlers.

Then came our three act comedy, "Lindy Lou." Jack Backskey, Tony Milonas, and Gloria Iskra took the leads, supported by Helen Krmpotich, Marilyn Busko, Marie Perakis, Virgil Rizzi, Shirley Meeks, Bob Ghormley, Robert Canestrini, and Mike Kouris. This play made

history for being the most money-making and for being the first play from R. H. S. to be presented in Winton.

On February 28 came that long awaited occasion—the arrival of our class rings. They were a "Flying Cadet" style with a white gold backing.

Mike Kouris made first string in basketball from our class.

April 11 found us at the "Chinese Garden." Marilyn Busko, named queen by popular vote, stepped through the pagoda into the flourishing garden in a colorful coronation ceremony. Helen Krmpotich and Shirley Meeks were attendants. The garden had variegated streamers trimming the top with beautiful lanterns hanging from the ceiling. A wishing well, apple blossoms and colored flowers made up the other decorations.

Again part of our class went to Kemmerer in the band or glee club.

We now eagerly awaited our fourth and final trip which would come after a short vacation.

As we started our final trip, Virgil Rizzi was named captain, Marilyn Busko became co-captain, Jean Mastrovich succeeded the position of log scribe and Gloria Iskra kept our gold. Mrs. Russell and Mr. Smith were navigators.

Bob Ghormley and Gloria Iskra were named Editor and Associate Editor for the Sand.

Helen Krmpotich and Shirley Meeks placed with the cheerleaders again.

At a Halloween Homecoming Dance, Virgil Rizzi and Jimmy Styvar were named Princess and Pirate of R. H. S.

In December we presented a Mardi Gras Ball. Mardi Gras colors were used in a very decorative theme. Hundreds of balloons floated in the center and along the tops of the booths. Mardi Gras figures were placed around the elevated band stand.

On November 21, Sam Hattori and Virgil Rizzi competed in the Pepsi Cola Scholarship Test.

Bob Ghormley, Jim Styvar, and Mike Kouris placed on the all-district football squad.

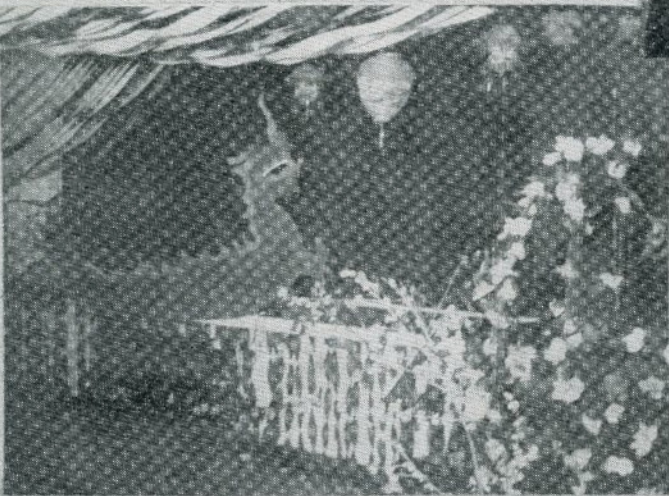

Richard Canestrini, Mike Kouris, Sam Hattori, Robert Canestrini, Bob Ghormley, Bob Matson, and Jim Styvar received white letterman sweaters.

Our calling card arrived in March and from then on we could tell that sailing days at R. H. S. were short-lived.

On May 16 baccalaureate exercises were held and on May 19 our class marched to the stage to the strains of "Pomp and Circumstance."

Our voyage had ended. We are now on our own to help make this world a safer and better place in which to live.
